LEARN TO RIDE
WITH TRUNKI!

Let the Scooting Adventures Begin, with the NEW Trunki Scooter.

Exclusive to Halfords. The only range of scooters that you can Ride, Tow, Fold, & Carry.

Designed by **Rob Law** the creator of the renowned ride-on suitcase brand, Trunki, exclusive to Halfords.

The only range of scooters you can ride, tow, fold and carry – Learn to ride with Trunki. The three wheeled scooters come in two different colours and sizes, a lightweight durable frame with large sturdy wheels and sturdy fibreglass footplate, Little ones can enjoy a smooth ride whether riding solo or being towed by their parents.

With it's lean to steer design, and height adjustable handlebar it's cinch to manoeuvre making it the school run and park trip essential getting them from A to B in record time, whilst having fun! All scooters come with extra wide rear wheels and brakes giving the quietest, smoothest ride and a fast-action, sharp break for emergency stops!

Transporting and travelling is made easy too, with its child safe folding mechanism, carry strap and bag. So, if you don't fancy scooting back home or you've limited room in the car boot these scooters fold away and have their own bag with a carry strap, perfect for hanging on the back of the pushchair, stashing in the back of the boot or hanging in the hall way when not in use, with a promise of no more bashed ankles as it swings about!
